

Four kinds of Miracles you are going to start seeing immediately.

Dick Mills 4-24-94

Number 1 is Notable Miracles.

The word **notable** is *gnostos* in the Greek. The word means well known, something that has come to everyone's attention.

Notable miracles are the kind that makes the front pages of the newspaper, the 11:00 news. This miracle becomes a community conversation piece. These miracles show God's compassion and His power. These miracles have everyone talking about them for 20-25 years.

Acts 4:16 Saying, What shall we do to these men? for that indeed a **notable** miracle hath been done by them is manifest to all them that dwell in Jerusalem; and we cannot deny it.

Number 2 is Great Miracles.

The word **great** is *mega* in the Greek. The word means mega, bigger than life. A steady stream of great miracles week in and week out. The word will get out that this church has been visited by the Lord Jesus and that things are happening here, week in and week out, and the word's going to spread all over the Northwest.

Acts 6:8 "And Stephen, full of faith and power, did **great** wonders and miracles among the people."

Number 3 is miracles of diverse nature.

The word **divers** means various in character, manifold. These miracles are more than just physical miracles. These are the kind of miracles that touch every area of our lives. These are for finances, jobs, housing, matrimony, and for keeping our children from being polluted, contaminated and touched by the evil world.

Heb 2:4 God also bearing them witness, both with signs and wonders, and with **divers** miracles, and gifts of the Holy Ghost, according to his own will?

Number 4 is Special Miracles.

*Special Yelm miracles. The thing that caused these miracles to be categorized as **special** was the geography of the situation, the locale. This afternoon when the Lord gave me this He said, "The channelors came here because they said they have a cosmic center here, but the Lord said they're misinterpreting what they are feeling. This is God's territory, this is God's turf, this is God's acreage. This whole area was subdivided and developed and pioneered by people who had a Christian heart and wanted the territory to be used for the glory of the Lord, and the Lord just said to me, I'm gonna beat the devil at His own game." They're getting words from some guy that's promising longevity and living forever, and He said "I'm gonna thoroughly bewilder them and confuse them and leave them so bewildered and dismayed that they're gonna fold up their little tent and just move on. I want to tell the people tonight, they're gonna take back what the devil stole from them."*

*Acts 19:11&12 And God wrought **special** miracles by the hands of Paul: So that from his body were brought unto the sick handkerchiefs or aprons, and the diseases departed from them, and the evil spirits went out of them.*

What made these miracles that Paul did special was the location. These were special Ephesus miracles. The idolatry in Ephesus was with the goddess Diana. She was the goddess of fertility. Their idolatry tied in religion and sexual immorality. The Christians came in, and planted the Christian church in Ephesus. It became the #1 church of the 7 churches planted, it was headquarters of Paul, with Timothy pastoring it. The church broke the back of Diana of Ephesus and before the century was over there were 50,000 born again people in the church of Ephesus and the Diana thing was totally destroyed for lack of interest, and lack of funds, and it just went out of business. Everyone say it - Where sin abounds, grace does much more abound. Satan is powerful, but God is ALL powerful!!! We're gonna win this one big!!!!

*So my message for New Life Christian Center is get ready for **notable miracles**, the conversation piece, the **great miracles**, great in numbers,*

*steady stream of them, **divers miracles**, financial miracles, marriages, jobs, housing, kids protected, and **special miracles**, your town committed to righteousness.*

(Someone has dedicated Yelm in the past to the glory of the Lord. Yelm was not meant to be what it is right now. But it was meant to be what it's going to be real soon.)

Isaiah 9:8 The Lord sent a word to His people and it's falling out all over the area.

Send up a glory shout and know that it's gonna bounce off of the boundaries of heaven and fall out all over Thurston County.
